Communicating together

Do you or anybody you know, use a communication aid !!

1Voice takes a family and social perspective on communication and recognises the great need for adult role models to inspire children and families alike. 1Voice promotes families supporting each other to overcome the isolation that being unable to speak can bring. 1Voice Cheshire & Merseyside would like to welcome, any communication aid user or family member along to our branch launch day – Come along and meet other users and their families, share experiences, discuss issues & Make some new friends !!!

Launch Day

@ The Floral Pavilion, New Brighton

February 14th 2012 1pm – 4pm

Guest Speaker; Mr. Alan Martin

Alan Martin, from the Wirral, is a self-employed Dance Workshop Leader, a Musician and a Disability Awareness Trainer. He also starred in the pilot and six episodes of the BBC3 comedy "I'm With Stupid". None of this would have been possible without his communication aid. Alan has been an active member of 1Voice UK since it started 12 years ago and has met many families with a child who uses, or could use, an electronic communication aid.

New Role Model Speaker; Jai Harrison Howell with Amanda Voller (Jai's Teacher)

Jai Howell is 12 years old and has used a communication aid for the last 7 years. Jai goes to Foxfields school in Moreton, where he uses his AAC for all his education, communication, surfing the net & storing his music. Amanda & Jai will be talking about AAC within a school environment.
