 do the Whitechapel Christmas appeal. The school council voted yes Class 2 could do
        
 the Whitechapel Christmas appeal. Lilly said that it was a lovely idea to do
 
 something for others.

4 School Dinner - Tyler had brought up in the last meeting that the school dinners

were not big enough and you can not mix two options so for example if you

don't like rice you cant have curry with noodles. Some days lower school can not

have one of the options as the kitchen staff are saving it for upper school. The

school Council will collect the views of school using a survey.

5 Learning Walk - On Thursday 23rd November Millstead are hosting a learning walk for

all of the school Council's. Redbridge can take 3 pupils. We pulled the photos

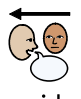

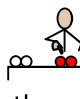

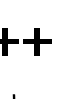

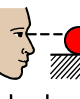

out of a hat. Lilly, Tyler and Rhys were picked to go.

5 Any other business -

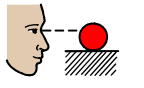

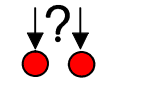

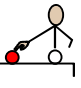

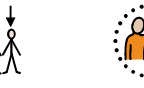

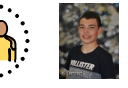

Lilly thinks we should do a sponsored walk. To raise money for school. Tyler

said we could walk around school like when we done the Pudsey walk.

Layton said we could walk around the bike track outside school. Sian
