

Redbridge High School
Community Curriculum

All pupils at Redbridge High School are encouraged to play a positive role in contributing to the life of the school and the wider community. In this curriculum area pupils develop an awareness of their unique identity and become an active member of the community. They will explore and gain an understanding of communities that they are a part of including immediate surroundings to the local community and beyond. Pupils will ultimately develop and understand of how they can have a positive impact on their future and their goals and aspirations through choices and transitions. Within this curriculum area, and where appropriate pupils will begin to develop skills that will prepare them for the workplace and their future.

Pupils have the opportunity for regular access to the wider community including weekly trips out on the minibus, participation in Duke of Edinburgh's Award, Residential holidays and much more.
